

## Single Equalities Policy

### Introduction

This equalities policy aims to amalgamate all the equalities legislation into one single equality policy for Turncroft Nursery School.

### Statement/Principles

The policy outlines the commitment of the staff and Governors to promote equality. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access and the diversity within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Turncroft Nursery School, equality is a key principle for treating all people the same irrespective of their;

- gender
- ethnicity
- disability
- religious beliefs/faith tradition
- sexual orientation
- gender reassignment
- sex
- age

These are the eight protected characteristics (Single Equalities Act 2010).

This policy has been drawn up as a result of discussion with representatives of teaching and support staff, pupils, parents, and governors.
